

Tier-1 Residential Development Opportunity | Stayner, ON

708-Unit Conceptual Yield | 112.26 Total Acres | 88.48 Net Developable

Strategic Expansion Area with Secured \$35M Provincial Infrastructure Funding

1. THE INVESTMENT THESIS: DE-RISKED GROWTH

This site is positioned within the **Proposed Stayner Secondary Planning Area** and is a direct beneficiary of the **\$35 Million Provincial water expansion funding**. Unlike speculative land, this project sits within a structured growth framework.

- **Boundary Inclusion:** Targeted for Serviced Boundary integration in **2026**.
- **Infrastructure Certainty:** Direct provincial capital injection removes the primary "bottleneck" to development timing.
- **Municipal Alignment:** Clearview Township encourages early Draft Plan submissions to meet housing targets.

2. SITE SPECIFICATIONS & MUNICIPAL CONTEXT

The property features a corner-configured parcel that allows for efficient internal road networking and seamless integration into the existing residential fabric.

Attribute	Details
Total Acreage	112.26 Acres
Net Developable	88.48 Acres (Approx. 80% efficiency)
Configuration	Strategic corner site with dual-frontage accessibility
Positioning	Surrounded by active subdivisions; high-visibility growth node
Secondary Plan	Core component of the urban expansion framework

3. DEVELOPMENT PROGRAM & YIELD PROJECTIONS

Target Yield: 708 Residential Units

The 88.48 developable acres allow for a diversified master plan that balances density with market-proven product types:

- **Product Mix:** A blend of Single-Family Detached and Townhouse units.
- **Phased Strategy:** Designed for a 4–6 year absorption model to maintain price integrity and manage capital flow.

- **Density:** Calculated to optimize site servicing costs while meeting municipal planning expectations.

4. REGIONAL MARKET DRIVERS: THE "SATELLITE" EFFECT

Stayner is the primary relief valve for the over-extended Collingwood and Wasaga Beach markets, offering high-quality living with superior value.

- **Proximity:** ~15 minutes to Collingwood; ~20 minutes to Wasaga Beach.
- **Lifestyle:** Immediate access to Blue Mountain, Georgian Bay, and year-round recreation.
- **Market Validation:** Major developers like **Devonleigh Homes** and **Sunvale Homes** are actively building in the immediate area, proving the depth of the local buyer pool.

INVESTMENT HIGHLIGHTS

- **Infrastructure Security:** \$35M in secured water funding eliminates the most common development hurdle.
- **Scale:** Significant 112-acre assembly capable of sustaining a multi-phase development cycle.
- **Entitlement Path:** 2026 serviced boundary alignment offers a clear, near-term timeline.
- **Strategic Yield:** 708 units provides the critical mass required for institutional-grade interest.
